The Music Master Charles Klein
This marvelously vivid narrative turns upon the search of a German musician in New York for his little daughter. Mr. Klein has well portrayed his pathetic struggle with poverty, his varied experiences in endeavoring to meet the demands of a public not trained to an appreciation of the classic, and his final great hour when, in the rapidly shifting events of a big city, his little daughter, now a beautiful young woman, is brought to his very door. A superb bit of fiction, palpitating with the life of the great metropolis. The play in which David Warfield scored his highest success.
